Subject: Opposition to S.B. 388 Defense of a Person, Place or Vehicle

To: Sen Bob Duff <Bob.Duff@cga.ct.gov>

Dear Bob:

We've known each other now for over 30 years and I respect all you have done of Norwalk and the People of Connecticut, but this law saves NO ONE and puts many lives in jeopardy.

As a former mail carrier (I retired in January) who was a victim of an unprovoked attack, I cannot believe that you would support a bill that would make a criminal out of an innocent person trying to protect themselves, their family or another innocent person. I'm a Certified Pistol Permit Instructor and easily 40% of my students are young women or single mothers who want and need a legal means of personal defense. Two of these ladies have already been assaulted and don't want it to happen again. Had they been armed, they could have avoided the assaults, but the circumstances would have INSTANTLY made them felons!

I urge you NOT SUPPORT S.B. 388.

Sincerely,

Harding Dles.
